Inspection of Herbicide Project for Northshore Forest

The Ontario **Ministry of Natural Resources (MNR)** invites you to inspect the planned herbicide project for the 2025 season. As part of our ongoing efforts to regenerate and protect Ontario's forests, selected stands on the **Northshore Forest** (see map) will be sprayed with herbicide to control competing vegetation, starting on or about: **August 18, 2025**.

The project description and project plan for the herbicide project is available electronically for inspection by contacting **Northshore Forest Inc.** during normal business hours and on the Natural Resources Information Portal at <https://nrp.mnr.gov.on.ca/s/fmp-online> beginning **July 14, 2025 until March 31, 2026** when the Annual Work Schedule expires.

First Nation and Métis communities and interested and affected persons and organizations can arrange a virtual or in-person meeting with MNR staff to discuss the herbicide project. For more information, please contact:
